Emergency Eyewash Pedestal Mounted - Hand Operated

Enware's emergency eye/face wash units help to flush contaminants and irritants from eyes and facial area.

EEE180

Designed and manufactured in Australia. Stainless steel construction provides superior durability and reliability.

FEATURES

- Independently tested for compliance to ANSI Z358.1 and AS4775
- Freestanding for stand-alone operation
- Stainless steel bowl, stay-open ball valve and hand actuator
- Push activated eyewash with soft aerated flow and integral auto-open dust covers
- High visibility yellow coated push handle
- Eye/face wash features "VertechTM
 Technology" where dedicated eyewash
 and independently angled face wash
 streams deliver optimum coverage
- Zero velocity apex point provides more comfort and control for effective cleansing of eyes
- Self-draining design reduces Legionella risk, particularly in tepid water applications

ADDITIONAL OPTIONS:

- Foot activation kit for eyewash activation -ESPE001
- · Audio/Visual alarms for alerts
- Flow pressure and proximity switches to activate alarms & lights
- Thermal relief valve removes built-up hot water
- Insulation of pipe work to moderate water temperature build up
- Anti-freeze valve for cold weather climates help prevent water freezing
- NPT flange connectors
- Custom manufacturing & design
- Signage compliant to AS1319
