# save water with spring action tapware and bubblers

**ENWARE'S AUSTRALIAN-MADE SELF-CLOSING VALVES ARE WATERMARK LICENSED TO AS/NZ 3718 AND ARE MANUFACTURED FROM DEZINCIFICATION RESISTANT (DR) BRASS WITH VANDAL PROOF FEATURES ENSURING THE EXTENDED LIFE OF THE PRODUCT.**

The drinking fountains and bubblers have integral adjustable flow regulators to control the flow of water from the outlet.

The unique valve design incorporating stainless steel components provides an effective, low maintenance mechanism for a range of flow conditions. The tapware and bubblers are serviceable with all wearing components replaceable, thus providing a longer life.

The products are ideal for schools, universities, municipal and other general public areas requiring durable tapware and water conservation.

The comprehensive range of heavy-duty spring action vandal-resistant tapware and bubblers are available with three handle options:

## WATER EFFICIENCY

Enware Australia has used the performance criteria of AS/NZS 6400 - 2005 Water Efficient Products - Rating and labelling, AS/NZS 3718 - 2005 Taps and AS/NZS 3662 - 2005 Performance of Showers for Bathing as the benchmark for our water efficient product performance. The pressure compensating flow control technology included in Enware's products, ensures consistent flow rate delivery across the pressure band from 150 kpa - 500 kpa, with minimal deviation.

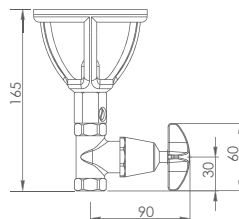

Enware Spring Action tapware is an Australian WaterMark approved product.

### TYPE 45 UPRIGHT BUBBLER

- With mouth guard & wall bracket - female Inlet 15mm

Order Code:

- BUB206C** - Cam Action (pictured)
